Dear Valued Partners

### **New Website and Email Address Announcement**

We are excited to announce that starting today, and over the coming weeks, you will observe some visible changes at Fagerdala as we cascade our revitalized Fagerdala identity globally.

We have created a highly differentiated look that articulates our commitment and value propositions as a brand, as we pave our way to be a market leader in protective packaging solutions.

As we roll out our branding activities globally, we wish to highlight some important changes that may affect you.

#### **New Email Address:**

Our colleagues in our ASEAN and North American facilities have changed their email extension to @fagerdalagroup.com. Please do not worry, as we will be running our old email accounts in tandem to ensure that none of your important emails are misplaced during this transition.

Your Fagerdala contact will be able to facilitate this transition. Please note this change in email extension does not affect our Greater China facilities, currently.

#### **New Website Address:**

Our new website address is [www.fagerdalagroup.com](http://www.fagerdalagroup.com), while our web skin remains the same, please stay tuned, as we continue our efforts to launch our brand globally.

Should you have any questions or queries, please do not hesitate to contact your local Fagerdala representative, or myself at [diane-yeo@fagerdalagroup.com](mailto:diane-yeo@fagerdalagroup.com).

Warmest Regards,

**Diane Yeo**  
Executive Director, Corporate & Legal Affairs
