Dear Valued Partners and Esteemed Customers

Change of Email Address – Effective January 21, 2019

Since our integration into Sealed Air Corporation, you may have noticed some slight changes to the way we represent our brand. This letter is to inform you that in the next month, you will expect to see changes to our email addresses. As we continue our transition into Sealed Air, please be assured that we constantly strive to bring more value to you and your business, on a global scale and to your local requirements.

We will be changing our email handle from @fagerdalagroup.com to @sealedair.com on January 21, 2019. The @fagerdalagroup.com email accounts will remain in the background for an interim period to ensure that none of your important emails are misplaced as we cross over to @sealedair.com. The change of email addresses does not impact our registered and incorporated legal name, and our commitment to you remains steadfast and unchanged.

We thank you for your continued support and partnership, and we look forward to growing our relationship with you. If you have any queries, please do not hesitate to contact your local Fagerdala representative.

Warmest Regards,

Pam Alexander
